

C.J. SKATEBOARD PARK & SCHOOL - Special Needs Programs

Formal Assessment Form

During the formal assessment we will discuss your goals and how our staff can best work with you as a team to achieve them. The cost of this initial assessment is \$50 and includes a half-hour lesson and rental of all safety equipment including skateboard and/or scooter, helmet, knee, elbow and wrist guards. This will ensure we can mutually agree on a program that is the right for you. If our program is a great fit, we will work together to establish goals for the student.

FORMAL ASSESSMENT

While skateboarding and scootering are our specialties, they are merely a vehicle to meet some more important goals:

- ◆ Balance
- ◆ Self-esteem
- ◆ Co-ordination and strength
- ◆ A feeling of confidence and well-being through motion
- ◆ Having fun
- ◆ Integrating and feeling welcome into our community of students, instructors, parents and volunteers
